As the plumber for Heartwood Construction for many years I had the honor of working with Al. He was more than a co-worker he was a good friend. No matter the job or temperature we worked in he kept a smile on his face and everyone around him upbeat. This good man will be missed. We will keep you and your family in our thoughts and prayers

I always considered the Phillips family my family as well,, Doris, Otis was my neighbor's at one time so through them I had the opportunity to meet the rest of the family. Allen was always friendly and kind and I'm sure he will be missed. My condolences to Reva & the Phillips family 🙏

Allen worked at our home for the past two years, and we thought of him as family. He was so conscientious, honest and humble; and his craftsmanship and pride in his work were amazing. We are so sorry for his family's loss. Our prayers are with you all.

I initially knew Allen through the many years he worked with my brothers. I got to know him personally when he worked on my house and that of my daughter. He was a joy to be around. I was honored to join them at breaks and lunch and hear deer hunting stories and other "adventures". He spoke often of his family and of the time playing with his grand babies. Allen was generous with his time and came down to bail me out on several occasions. He is gone far too soon. My condolences to his family.

A wonderful man Indeed!! Allen was so good to our family and although our time with him has been cut short, we've been blessed to share many fun and special memories with him. He loved to see everyone happy. A much loved brother-in-law!
Allen, we will miss you so very much. Rest in peace!
