“ Aunt Faye was one of a kind. She was always doing things for others. When we would come to stay with Aunt Faye and Uncle Bill for vacation we were always welcomed. She would have dinner planned for our arrival and also had everything planned for the week. She ran up and down the stairs at least 100 times a day making sure everything was perfect. We had so much fun the last time we came to visit, we took Aunt Faye to put flowers on all the Graves. We had a blast, taking back roads thru who knows where and getting what seemed like was lost but laughing the entire time. She will be missed and was definitely loved by us.

“ I've known Faye since I was born... 45 years! Bill and my dad worked at the phone company, together. My mom and Faye worked together with drapes. My mom sold the fabric and Faye made the drapes. I've spent countless hours with Faye over the years. She was very much a part of our family, an aunt to me, if you will. I will miss this amazing lady. She truly was one of a kind and one of God's true angels. I'm thankful for the countless memories from Williamsburg to the CWF yard sales, where she made killer chili. As I grew up, we still kept in touch with cards, and the times I was back home, I always saw her at church or I'd run by her house. Today, she is welcomed by Bill and Monique (their toy poodle who she loved very much). What a beautiful reunion! I will always remember you. I will always love you! Beth Blevins

“ Faye was one of the sweetest ladies I've ever known. Always had a smile on her face. God rest her soul.
