

Sidney Grant Snell Jr.

December 19, 1958 - October 3, 2020

New River Valley Legend Sidney Grant Snell Jr. left this world and joined his parents with our Heavenly Father on October 3, 2020. Sidney was born December 19, 1958 in Radford VA to the late Sidney Grant and Nannie Bell Freeman Snell. He had a strong faith and really loved the Lord. Sidney was the best little brother five sisters could have. His love for the five of them was always on display. He will always have their backs even in spirit and they had his till the very end.

Sidney Snell was a once in a generation student athlete. He had an astonishing prep career in football, basketball, and track and field at Blacksburg High School. In 1991 he was recognized for his high school accomplishments by being inducted into the Virginia High School Hall of Fame. Sidney was rewarded for his success at Blacksburg High School in 1977 with a scholarship to play football and basketball at Virginia Tech. The family still fondly remembers the visit and offer made by Coach Jimmy Sharp in their Blacksburg home. His accomplishments continued throughout his college career, where Sidney went on to set records on the football field at Virginia Tech. Sidney left Virginia Tech as one of the best players to ever put on the maroon and orange. Sidney also had a love for softball and golf. He was known to show up, hit a home run or two and leave the ballpark. No matter what he put his hands on he was widely respected amongst his peers and you knew you were winning if he was on your team.

Even though Sidney left this world too soon, he lived an extraordinary life! He loved and was loved by so many. His infectious smile, humble spirit, and humorous personality were steady foundations of his life, and key reasons why he will be deeply missed. Sidney was such a great man that he helped make everyone feel they were his best friend!

Left to cherish his memory are his most gracious sisters for having such an incredible brother, Doris (Sidney) Lee, Sylvia (Nathaniel) Bishop, LaVern (Lee) Walls, Connie Grant Snell, and Denise (Cornell) Howard. He also leaves his beloved dog Kacey. Sidney's many admiring nieces and nephews will miss his joking and loving ways. Also left to cherish his memories are his aunts, uncles, cousins and dearest friends.

There will be a public viewing Saturday October 10, 2020, from 10 a.m. – 1 p.m. at McCoy Funeral Home in Blacksburg VA for those who would like to pay their respects.

The family will have a private service following.

In keeping with Covid 19 guidance and restrictions masks and social distancing must be maintained. In lieu of flowers the family asks contributions/donations be made to Sylvia Bishop for a developing scholarship in honor of Sidney Snell.

“ We always kept up with Sidney, during high school, college and would run into him on occasion. Watched him play at Tech but remember him playing basketball in a tournament in Charlottesville. Most recently at Duncan Hyundai. In fact he sold me my last car. Absolutely a sweet and nice guy.

“ Sidney was the manager and heart and soul of Arnold's Restaurant and Sports Bar from the mid 80's thru the 90's. Everyone loved Sid and those who returned to Blacksburg over the years made a point to be sure to stop in Arnold's and see him. Sid would DJ late night and his love of music had his personal soulful touch which seemed timeless over the years. Always happy, had that laugh, caring, generous, sincere just one of a kind , a once in a lifetime friend that I will miss dearly. RIP Sid. David Chapman

“ When I read Sidney's obituary, I could feel the love I know his family and friends have for him. My tear-filled eyes were trying to read every precious word recognizing that every word certainly displayed Sidney's fine character, generous heart and his contributions to the community. His sister Sylvia and her husband NL have been Alan and my best friends since a very young age and all of the family is dear to us. Sylvia always talked about her baby brother. There is nothing more powerful than living a life that touched so many lives and he touched many. Sidney, I know you are looking down and saying family take care of yourself don't worry about me I am with my maker and now I am free.

Our thoughts and prayers are with you.

“ To the Snell family.

I was saddened to hear of your loss. I will always remember the vast array of sports memories Sidney provided from little league thru BHS and Tech and softball games on the intramural fields and all over Virginia, but they will pale in comparison to the great friend that he was. Sidney was always a bright smile and a laugh. He looked out for us smaller teammates and always set us up to succeed. He was so easy going and fun to be around. The best memories will be the ones away from the sports fields and just hanging out at some ones' apartment or road trips to softball games, or playing golf with the guys long after college was over and remembering the good old days from BHS/ Va. Tech. He has gone way to early, but be assured he was loved by everyone he met including his sports opponents that he routinely defeated. I will always smile when I hear a reference or remember a story involving Sid... truly a generational athlete but more importantly just one of the greatest people I will ever be fortunate to have known. R.I.P. Sid. Love and condolences. Ken Ritchey

“ Many happy memories of Sidney, but some of the most vivid are from the fall of our freshman year at Tech, when he, Tank, Renee and I and a handful of his new teammates spent a lot more time than we should have hanging out at Spanky's. We always had to make sure the guys got back to Hillcrest on time or “their asses were grass and coach was gonna mow it with the minute lawnmower!” And then there was the introduction to “Make My Funk the P.Funk” in Fuller's basement... Connie, Denise, my heart goes out to you and your sisters. I had a chance to see Sidney several times in recent years, and he always spoke so fondly of your kids, it was obvious he loved being an uncle. No words for how much he'll be missed. R.I.P. dear Sid, take care of my girls til I get there.

“ One of my earliest memories is when my dad , Monte Hale, would take me to Sidney’s BHS basketball games when I was probably only 6 or 7. My dad also worked the field gate near the VT locker room during games & I would go with him and Sidney would sometimes give me a “high 5” when they were going in & out of the locker room.

Fast forward many years and he and my husband are working together at Hokie Honda and my husband will tell you, for probably 5 years I couldn’t look at Sidney without blushing! My husband had told him who he was married to and Sidney remembered and he would just smile and hug me.

I am proud to call him my friend and was never more honored then the night he was inducted into the inaugural class of the BHS Hall of Fame, and he sat right beside me. I also captured a picture of him with my daughter, who I named Sydney.

The world has a little less light in it now. How lucky was I that I got to call my childhood hero a friend?

Give you the shirt off his back (if you were a xxl) :) When we started playing softball at VT and beyond he and the others always made me feel like part of the family. Donald Wayne, Paul and Stevie I am so sorry for this loss. Oh to go back to the days of softball golf with Monty and the team down in Independence, VA.....

“ Sidney will be missed! I played ball at tech from 82-86 right after sunsets last year but somehow knew Sidney as though he was still current on the hokie squads I played with. He knew all of the players and always had a smile and some words of wisdom about something you were going thru. Often times if I was a buck short on a bill at Arnold's Sidney would reach in his own pocket at say I got you. Always very cool, very nice and an all round GREAT guy. Your family and friends will miss knowing you are out there Sid! Rest In Peace my brother. Love at prayers to the Snell family ! Mike Clapp

“ Sid---I've known you for 48 years and the memories playing sports were terrific but the memories of your generosity were never ending . You were generous with your heart and your soul, your time and your money, your wit and your humor---but most of all your friendship. You always had my back. Love you brother. Rest in peace.

“ Sidney and my brother-in-law Mickey used to baby's for us when they were at VT and it was, thus, so appropriate that he be a part of April's wedding as her DJ at the reception! He didn't even hesitate to say yes when Phillip asked him to do it! His warm heart and beautiful smile will be sorely missed!!

“ We as coaches were blessed over the years to have had the opportunity to work with many outstanding young men in Blacksburg. Sidney would have to be at the top of the list. His attitude, leadership, coachability, and off the charts athletic ability made him one for the ages. To top it all off he was an outstanding man with a gigantic smile and a great friend to so many. Sidney will be greatly missed and fondly remembered by our community. Rest In Peace. We will never forget you. Jim Shockley
