“ My sincere condolences to Thomas's family. I just recently learned of his passing and for that, I am sorry this is delayed. I wanted to reach out to you, his family, to let you know how much I appreciated Thomas. My father became a resident at English Meadows for a short period of time and when I met Thomas, I immediately formed a bond with him. I will never forget the very first day, moving day for my dad, I introduced myself to Thomas and we chatted for a bit. I immediately knew he was a sweet, kind man. I introduced him to my father and asked him if he would look after him and his words to me were " I will take care of your dad." And he did! Everywhere my dad shuffled to, you can guarantee Thomas was not far behind! I grew to love him in just a couple of weeks! Every time I came to visit my dad, I would always bring Thomas a treat and he was always so grateful and always asked me, "Where have you been?" I am not sure if I reminded him of someone from his past, but I didn't care, I was tickled he was happy to see me!

My father passed away rather quickly there and unfortunately, somewhat dramatically. I hope this did not have an ill effect on Thomas. My biggest regret, as well as my husband's (who also bonded with Thomas very quickly), was that we kept putting off our return visit just to visit Thomas...and then Covid hit and we couldn't visit. I was happy to hear that he was able to return home to his son, as he was always talking about that. I am happy and sad at the same time. I just wanted the family to know, as if you didn't already, that Thomas was a very special man! I am happy to know he is in a much better place now and I hope you guys are comforted to know that as well. So sorry for your loss

Sincerely,

“ We're going to miss Tommy at our class reunions. He and Nancy we're always faithful to the 68 and 69 class. Always willing to help with anything needing done. At least now they can have a Christmas reunion in Heaven.

“ We are so sorry to hear about Tommy, but I can assure you that he is celebrating with his family, especially Judy. May God heal your broken hearts a little each day. May he comfort each of you during this difficult time. Kevin and Jason, we are sending lots of prayers. Kevin, I know that your Dad was so happy to be with you and Vera at your house for the last couple of weeks. May God Bless all of you. Tommy not only loved his family, but Judy's family as well. If you knew Tommy, you were truly blessed to be his friend.
