“granny i enjoyed being your granddaughter and having you in my life. I will never forget you and you will always be in my heart. I am sad that you have left the earth but you went home to heaven with your husband and son but and the lord Jesus. I am so happy that you got to meet Aiden.

“MY most precious memory of Nana was everything about her. Every meal every Holiday every visit most of all when she remenist of her,Pete and Harley and her childhood. When she needed me I was there and I miss her so much. I know your walking hand in hand with the Lord Pete and Harley in Heaven and your pain of lost is gone. I have learned so much from you and I will keep you in my heart forever. I love you.
