“ Although I had not seen Allen for 50 years, he was my friend and I was saddened to learn of his death. He had a mean fast ball and a wicked curve. Glad that he did learn to drive. He was a good guy. We shared some good times,lo, those many, many years ago To all of his family, especially his brothers and sisters that I knew back then, and to his wife and children, may the God of Grace grant you peace and comfort as you grieve the loss of Allen
