“ Richard and other family members... my heart goes out to you all. Richard, I miss seeing Arnie at Commonwealth when I was there with my parents. My brother, Reggie Cupp always enjoyed visiting Arnie and talking about the people they both knew from years ago! Keeping you all in our prayers. You know how much we loved Arnie!

“ So sorry to find out about Arnie. He was a good friend over the years. I ran into him a couple of years ago while I was playing guitar at the facility he was in. I wasn't aware he was there, and we talked a little. I'm really glad I had the time that day.
I will miss him.
My heart goes out to the family.

“ Richard and family
Sure sorry to hear about Arnie. Hadn't seen him in years, but you and I do cross paths every now and then. We had some good times what seems like 100 years ago. Y'all hang in there.
Sure sorry, Chuck

ME

“ We are so very sorry to hear about Arnie. He and I worked together at Leggett many years ago. He was very special to me and my family. He will forever hold a special place in our hearts. My favorite color is purple and blue. He got me a set of beautiful purple towels and I still have these after many years. The family was forbidden to use. Arnie's love was unconditional. He was a precious soul that I will forever cherish and thank God for bringing Arnie into my family's life. Arnie may you rest in peace. We thank God for allowing us to be your friend. We will forever hold you close to our hearts.

We love you Arnie Young.
