“ Barbara cut my hair years ago when we first moved to Christiansburg in 1986. When she had the Dairy Queen, I had her grandson, Ethan, in my classroom at Christiansburg Primary School. They had a fire at the Dairy Queen during that time. She called me to ask if the class would like some ice cream cake since they were unable to sell it after the fire. That was so doggone sweet of her! Everyone loved it!! Ethan was so proud of that moment! She was great at everything that she did. I thought a great deal of her. Love to all of the family. I am truly saddened by your loss.

“ *To the Taylor family. Barbara was a very special lady. No one ever cut my hair like she did. Never ran into her that she did not stop and chat and I'm so very sorry that she is gone. Know she is in heaven and in no more pain. My prayers are with you all.*
