“ *Sending our condolences. We met Ben few years ago when we moved into the neighborhood. We enjoyed running into him and Ava during our neighborhood walks. We could see how much he really loved Ava, enjoying sharing about her quirks, and talking about dogs in general.*

“ With Ben, he called 'em as he saw 'em, and you always knew where he stood on any subject. He was an enthusiastic supporter of our Second Amendment, and always willing to share his expertise. He loved his family, friends, and his miniature schnauzers. I was privileged to help him care for his beloved "Gretchen" as he battled to work thorough her diabetes. A trusted friend, he will be missed by many. I'll toast his memory at 5 Guys, our favorite eatery. May the Lord be with his family during their time of grieving, and may they remember all the good times of his long life.

“ Ben was a great friend, a straight shooter, a serious motorcyclist, and dog lover. He graciously allowed me to share his passions. He will be greatly missed.
