“ We love you very much and I know how much each and everyone of us will miss you. You were taken way to soon. As a child I remember you taking me on one of your jobs with Jada (probably a few to be honest) the sleep overs, the daily walks to r n r and also all the way to Arby's and wades. You always found treasure in trash we have so many good memories. You never did treat me any different. I love you forever. I'll miss you always give me Grandma a hug and kiss for me.

“ To the family
I'm so sorry for your loss. I have known Benny for a long time and he was a great friend to me and my husband. I'm sure he and Larry have already met and are praising Jesus. Lots of love and prayers to come in the days ahead

“ Daddy- I'll miss your sweet; loving; gentle spirit. I'll miss the way you always knew how to make me laugh. You're funny; unique; one of a kind sense of humor always cracked me up. I've always looked up to you and wanted to be like you. I was always so amazed at how you could learn something once or read something and always remember it. I could ask you a question about the most random topic and you knew all about it. You were so smart but you never once bragged about how smart you were. You were very humble. I was always so proud of you the way you committed your life to the Lor.d I watched God do a complete transformation in your life. Everyone who knew you knew how much you loved the Lord. I take comfort in knowing that you're with Him now. I know I'll see you again one day soon. Until then I'll continue telling your jokes; quoting your random quotes and singing funny songs.

“ Dorian, Mercedes, Crystal & Family: My heart goes out to each of you in the loss of your Dad, (Stepdad)). He was a good Christian man, and we will all miss going to church with him and chatting with him after the services. I know that he loved all of his children and family members. He talked about you all often and asked me to pray for you. Please know that I will continue to pray for you, and that God is there whenever you need to reach out to Him for comfort. And one day---very soon---we will all be together in Heaven...where we will never have to say "goodbye again!" LOVE, Jennifer Blackwell 🙏🌸🌻🌹💕
