“ *I was just beyond saddened to hear of Betty’s death. She was such a great teacher at Blacksburg high school. I still remember her autograph in my yearbook the year I graduated. She closed it with “when you are young and having fun, time goes by too fast.” She had a heartbreaking loss when her son, Andrew died. And I find comfort in knowing that she is with him again. My prayers are with the family during this hard time.* ”

“ *Betty was a kind and loving part of our Christiansburg High School special education staff for many, many years. She was devoted, patient, and caring to many of our students with significant health and learning needs, and she will be missed by all of us! We loved and appreciated her devotion and love for our students. She will be forever loved and missed!*
