“ I have special memories of both Jack and Betty Jo. They were good friends of my parents for years in Blacksburg. My mom still refers to their Blacksburg friends as “old Blacksburg”. Jack and Betty attended their 50th wedding anniversary party and I have so many great pictures and memories from that day with both of them. Betty Jo always gave me the biggest hug when I would see her. Praying for her family during this time.

“ Thinking of her family at this sad time. It's so hard to say goodbye to a mother. She was such a sweet lady.
