“ *Shelia and Jeff, I am sending my thoughts and prayers to you and your families during this most difficult time. Your mom was one in a million! She always made me feel great when we crossed paths, unfortunately that was never enough. She lived her life to the fullest each and every day. Betty always sent a calming feel to each and every conversation, no matter what we talked about. I always walked away thinking "I am so glad I ran into her"! Peace be with each of you.*

“ I am so sad to hear this. Betty was one in a million. Her beauty, smile, and laugh lit a room. She was one class act. David I know you are heartbroken. You two were beyond blessed to find each other when you did. I was so happy for you both. Shelia, Jeff, Lee you were her world, she loved you all so much. And her grandchildren were they icing on the cake. I will hold our memories fondly when we lived on Clearview Drive. Barbara I know you are lost, I am praying for you. This lady was one that will always live in my memory until I see her again. Love, Hugs, Prayers to you all.

“ David and Family,
My heart is shattered in a million pieces.
Words can't describe how much Betty meant
to me and what a precious angel she was and
will remain. She's now watching over each
and everyone from heaven. Every appointment i looked forward to
her beautiful smile and her well put together outfits and all the great
stories she loved to share with me. She was truly one in a million
and i will miss her dearly. Before she would leave her appointments
I would always say,"make sure to tell David hello and that I love
him."So I just want you to know,"I love you David"and your in my
thoughts and prayers during this unimaginable time. Betty may you
rest in the arms of the Almighty until we meet again my sweet
friend. I love you forever and a day. Love your friend, Ashley

“ Barbara we are so sorry for you and your family. I can't imagine how broken your heart is at this time. Sisters are so wonderful and special. I began to know Betty when she would visit with Mary Nell . They were always laughing and supporting each other. They had fun times together.
Please let me know if you need anything. May God be your comfort in sorrow and bring peace and strength in the days to come.
Love you, Jean Wright

“ *I had the pleasure of taking care of Mrs. Shelor while she was in the hospital. Betty was with us for 30 days and she was family to us. Our unit will never been the same again without her smiling face on it. I send my love to all of her family and loved especially Mr. Shelor who was here every single day beside her making sure she had everything that she needed.*
