“ I went to Mount Calvary with Betty for many years. I will remember her being very active in church, playing the piano and organ, teaching Sunday school and always being there when the doors were open.
She played for my parents and aunts to sing as well as me. Always pushing me (gently) telling me I could hit that high note. She was loved by many and will be missed.
May God be with her family in this difficult time.
Rejoice knowing she is with her Heavenly Father, family and friends
