“ I worked with Ms. Bonnie at Squires Student Center for several years. She was as good as good gets... full of love, light, and happiness. She ALWAYS had a "hello" and a kind word. Even after I left Squires to work elsewhere at VT, she was a Facebook friend-- always offering support and encouragement-- and I could guarantee I'd get a Bonnie hug if I crossed paths with her. She was a very special human and she will be missed! ~Hunter
