“ Brenda was so helpful to me in my first two years of teaching. She used the perfect blend of tough love with her students and they respected her because they knew she cared about them beyond the walls of school. My son is now at CMS and he was blessed to have her as a sub. I could tell he really liked her a lot. She will be missed!

“ I had Mrs. Dehart in English class in 6th and 7th grade I believe. She was a good teacher. That was back a few many years ago at Floyd Elementary School.

She must have just graduated from college.
She almost always had a glass of tea in her hand. Also, she loved her big hoop earrings.

“ A veteran leader teacher, who truly cared about ensuring that all
students succeed. Mrs. Dehart's passion is an inspiration to us all
about her love for teaching. CMS will be missing a true titan not
