“ Margaret; I just learned of the death of Wayne and I want to extend my sincere sympathy, even though it has been a long time since we all worked together at Tech. We worked together in one of the barracks building and you gave me that beautiful hand-worked Christmas wall hooked rug. I pray God will comfort you as only He can and guide you in the days and weeks ahead. You helped me as we worked hard to service the buildings and your & Wayne's sense of humor made the day's laughter brighten my day, thank you for that. Take care of yourself. Joy Nester
