“ *C.W. was the salt-of-the-earth guy with a wonderfully dry sense of humor. He and Julie were cherished customers of ours back in the Crickett's days, and I have missed seeing him down at BCC the last couple of years. Rest easy, friend.*

“ *I met C W His first day at Riverlawn School in Fairlawn. We had the same third grade teacher, Miss Brooks. Since my name begins with a "W", he was seated directly behind me. We played football and basketball together. He was a terrific, very hard working athlete. I consider him a close friend, although we did not get to see each other much after graduating from Dublin High School. We talked a long time during our last reunion. Good by, C W. I will truly miss you.*

“ Remembering C W Wurzburger 6/5/25

C W grew up in Fairlawn. He was one of about half a dozen terrific athletes who helped make the Dublin Dukes Football Teams during approximately 1961-1964. They were really a top notch team all those years. Gosh, we just wished they could have played for the Radford High School Bobcats.

C W was also among these same players who played youth baseball in the summertime over in Radford.

C W was a really neat guy. Everybody loved him. Rest in peace our good friend.
