“ *Jennifer, Nathan and family, we send our deepest sympathy to everyone. I had the pleasure to work with Fran. Even on her worst day, she always had a smile. I will forever cherish the love and caring ways that she showed me each day. I can say that your Mom loved you both deeply. She talked about each of you on a daily basis. She was a very special lady. May God comfort and heal each of you during this difficult time. Prayers to everyone.*
