“ I will never forget the love and kindness that she always showed me growing up! She Never treated me as less than! She told my sisters I was not step or half but their sister! That warmed my heart to this day! I feel so blessed to have had this beautiful sole in my life for 65 years! I will go to my grave loving this lady with all my heart! I love my sisters and we will get through this loss! Our hearts will ache but we will have peace knowing she is in the loving arms of our daddy Bill! These two people loved with all their hearts and now after 41 years apart... They have been joined back together in heaven! I bet it was a beautiful reunion! Love you Carol to the moon and back and I will miss you so much, but my heart will always smile when I think of your love for me! Love you forever, Opie, Mike and family
