“ *Mary Warren, Remembering our friendship that has continued through all these many years, since the early sixties when we moved to Ravensworth Road. One memory I have is of you, Carol, and your Mom would come to our house for a visit during the day when our Dads were at work. I remember sitting at our dining room table and drinking coffee with your Mom, thinking I was so grown up; while you, Vicki, and Carol would be playing together upstairs or downstairs. Carol was always kind to me — your sweet, smiling younger sister. I know your parents would be so proud of the women you both became. Here is a photo I found of Carol from an Annandale HS yearbook - possibly Carol's junior high school photo. Carol was also in the Future Teachers of America at Annandale. . .*

*“ Sweet memories of Carol who was always fun and thoughtful. Loved her cute giggle!! Mary and Carol would unselfishly take my dog, Candy, for walks when I was away. Remembering performing plays in her parents' back yard for the neighbors. I am so very sorry for the loss of such a great person!

“ *Mary and Family, I am sorry to learn of the passing of your sister, may God be with each of you during this difficult time and cherish all of your wonderful memories of her. Just know that you will see her again over there in a much better place than we are today. God bless each of you, and please continue to be safe. Mary, we have not seen her other for many years when we worked in politics together in Montgomery County, I have stayed in touch with Jane Barnett and others. Take care*
