“ Donnie, I am so sorry to hear of your wife passing. It has been a long time since I've seen you, last time was at the class reunion. I remember then that she wasn't feeling well. You stood by her all this time and have taken good care of her. People don't realize what a caregiver does, you give all your love and have patience with them. I am sorry that I will not be able to attend on Saturday, I also take care of my wife. May God bless you and your family at this time. Your friend Terry.
