“ I nor anyone else that was at the memorial wanted to be anywhere but there with precious Casey Scott's families to grieve the tremendous loss of such a wonderful soul and the celebration of his soul's entrance into eternity. From the pictures of his life, it was very apparent that he was blessed with love and Casey's Life is a true blessing to all who loved him, here and in Heaven. I am praying for his parents and families to continue to feel the presence and Blessings of Casey's Love and Smile. After reading what people have said about him and the pictures that I saw, I felt the blessings of his Love for his family and friends, AND their Love for Casey. 🙏
