“ I have the fondest memories of Chris from our high school years. He was caring, smart, honest, lots of fun, and always brought a smile to those around him.

I am sorry to hear of his passing. My condolences to his wife and children.

“ Chris and I hung out through high school and some years after. We lost contact with each other as our lives became busy.

Often I think of all the good times we had growing up and had wished we would get back together in our later years and reminisce.

I am sorry to learn of Chris passing and wish the family my prayers.

“ I am his father’s first cousin. His father, Elasco and my father, Lyston were brothers. I did not know Chris but knowing his Father and Mother, I know he was a great guy because they would not have raised a son that was not a great guy. I am sorry that he had to leave this world and his family at a young age (yes, 56 is a young age!) but I pray he has a great journey to his after life. And one day we will all get to have a great heavenly reunion. Rest In Peace Chris until we see you again.
