“ I moved into the Rt114 area a Vicker Switch late in 7th grade. It was hard to make friends and such. I remember Brent, and his click of friends (Greg Wade, Greg Webb, Mike/Mitch Gibson, Greg Martin, Cary Shepard many more). They were inseparable and I tried to get to know them. Brent played football with me, he was a scrappy cornerback, always funny and yes he/they played tricks on me alot. I am very sad about his passing, I only got to see him at reunions but I will miss him. I have lost a younger brother years ago, it is a pain that does not go away. So I wish to give my condolences to the family and wish all of you Gods' blessing for comfort at this most difficult time.

Brent will always be remembered as the little guy who was the ring-bearer at our wedding in 1969. Brent suffered a lot of physical pain these last few years and is now free of pain all together. He will be missed by all his Hall cousins.
