“ I have many happy memories of Cheryl from years ago! I "did" flea markets and different flea market shoes after the Antique Mall closed down. She found me everywhere! Compared notes on good stuff and junk. She found great items of glass, brass, paper, etc. which I almost gave away but was always worth the time in the tales! Hope to see you there!

Cheryl and I had been friends since childhood growing up next door to each other. We would get together every time she came to PA after she moved to Blacksburg and I really enjoyed seeing her. We kept in touch on FB and occasional phone calls. I am going to miss her very much, my heart is broken. Prayers to David and her family 🙏🙏
