A limb has fallen from the Family Tree. I keep hearing a voice that says grieve not for me. I am in heaven remember the good times, the laughter, the good life I lived while I was strong. Keep smiling and surely the sun will shine through. My mind is at ease, my soul is at rest. Remember all how I truly was blessed. Go on with your life don't worry about falls. I miss you all dearly. Until the day comes when we are together again.
