“ *I've known Bud and Clara most of my life! At least the last 44 years! When they built their home on Marsh Road, I supervised, much to Bud's dismay of my thinking that the piles of sand that Mr Cupp poured, was for my playing! Bud and Clara attended every holiday get together, school event, high school graduation that I had. They were our neighbors and friends for years. I visited Clara every time I was home in Blacksburg, after Bud died. May they rest in peace.*
