“ I truly am Blessed to be able to say I got to know Wayne over the past few years when checking him in for Rehab and loved to hear about his family and friends and life. I will always remember his great smile and laugh as well as his love for gravy biscuits with a slice of tomato! I surely will miss that little rascal. Go rest high on that mountain my friend, for your work on earth is done. Phil. 4:23 with love to his family and friends.

“ Wayne was a great guy. I went to school with Wayne. Knew him for many years. I'm so sorry he is gone. Got to talk to him at our 50 year reunion and there is no doubt in my mind that he is with Jesus. No more pain, no more suffering. It is sad to lose a friend that you have known for 60 or more years. Prayers for family and friends. Our loss is heaven's gain. April Clark

Wayne was an old friend that I had known since I was 3-4 years old. I lived next to Wayne's Grandmother and we played when he visited. We rode to school together in High School. I got reacquainted with Wayne on Facebook and at our class reunion. There was not a finer person! He truly cared about people! Prayers and comfort for his family. David Gardner
