“ *Mr. Lee will be dearly missed by my daughters, his friendly face always brightened our mornings and afternoons at the bus stop. Before my youngest was old enough to ride the bus he would let her walk up onto the bus with the other kids in the mornings and he would give her a lifesavers mint. This past year she finally started riding the bus and still carries on the tradition of bringing a mint with her on the bus each morning. He will always be loved and remember for the extra things he would do to make kids feel safe and cared for - our thoughts and prayers are with his family.*

“Mr. Lee” will be dearly missed by many kids (including my own) from the school bus. My kid has been asking for the past two weeks about his absence. He took such a good care of them. He did extra stops at houses for pickups. He always smiled at the kids when they entered the bus and waved goodbye. My condolences to the family!

“ To ALL of Lee's Family and Friends, I just learned of Lee's passing. We had many great times at the football games! I would see him at Kroger and many places all the time. He was always funny and great friend along with a lot of his family! This is a terrible shock and is really SAD. Many prayers for everyone. R.I.P. my Good Friend. See You in Heaven one day!Andy

“ I was a classmate at Blacksburg High School with Lee back in the 70s and would see him from time to time while living in Christiansburg. He was director of McCoy Funeral Home when my father passed away and did a fabulous job for us during that difficult time. Lee was a wonderful, compassionate human being. Our sympathy goes out to his family. May he rest in peace.

I would like to correct my previous comment since I erroneously mentioned that Lee was director of McCoy Funeral Home. That was Kenneth. Please except my sincere apologies. My other comments are historically accurate.

“ It broke my heart when Charlton called to tell me Lee passed away. He will be greatly missed by his family & friends. The world has lost a good man.

Lee was a dear friend for many years. I was fortunate and honored to enjoy his friendship for many years. We had some good times in the 1970's. Lee did all kinds of jobs for Christiansburg Parks & Recreation for many years during the growth of the department including coaching, umpiring, refereeing & driving bus for athletic teams.

It is with sincere regret that I cannot attend services for Lee due to traveling. Lee and all of his family will be in my prayers & thoughts.

Sincerely,
Art Price
