“ Our family is deeply saddened by Curtis’ passing! I know Dad has shared some great (funny) stories from their golfing trips and I’m not sure Curtis knew which one of us was missy and which was Candee because he always referred to us as those Woolwine girls which we took as a term of endearment! We love you guys and are praying with you during this time! Mark clara missy and candee

“ Our deep love and condolences to the family of our beloved Curtis Linkous.. He was a Merrimac staple from our lifetime and will be missed so much. There are so many memories that we cherish. He loved us and our family and always inquired about them. His smiling face was always a welcome to everyone. One day, he will welcome us all to that new home that he has gone to and we will live together in Merrimac in the sky. We love you. Barbara and Carl Early

“ Please accept our deepest condolences on your loss, I remember his kindness all through my childhood, He seen a many of us grow to adults, marry our childhood sweethearts and birth of our children, and those children's children, I enjoyed our time of worship at Merrimac inside and outside. He would stop by to visit Mom and Dad after his stroke a blessing to both of them, they enjoyed his company. He will be missed so much in our community and at church, he was a true man of God and a warrior of faith. Until we meet again.

“ Chester, Debbie and Family. You are certainly in my prayers right. I'm sad that we won't see Curtis again on this side but oh man, the homecoming in Heaven we'll have one day !!!! Curtis sorta took me under his wing at Merrimac Church. He became a mentor to me at Merrimac. He taught me a lot about being a Christian leader. He and I played a lot of golf together, he witnessed my "hole in one" at the River Course. We hunted together at Powhatan. Curtis and Bobbi were the best neighbors we could ask for. Brother Curtis, I look forward to seeing you again one day !!!! Hallelujah !!!!!
