Curtis Dale Martin, 69 of Blacksburg has taken a permanent seat overlooking the farm, his one main passion. He took this seat on Thursday, April 2, 2026. Anyone who knew Dale knew that he wasn't happy unless he was on the farm, he loved to just sit on the hill and just watch. He was a friend to everyone and was always there to help.

He was preceded in death by his mom and dad, Carl and Jean Martin. Left to carry on his work are his children, Amanda (Robert) Lewis, and Alisha Martin (Chris Olinger). His sister, Linda (Ed) Winters, and his Grandchildren who he loved more than life itself, Emily Akers, Zachary Lewis, Mallory Akers, Curtis Lewis, and Rylan Lester. Special friends who were more like family, Tony, Diane, Morgan, Jordan, Katie Fenton. Along with Angie Roberts and Bobbi Sue Hale.

The family will receive visitors on Wednesday, April 8 from 4:00 - 7:00 pm at McCoy Funeral Home. The funeral will take place on Thursday, April 9 at 2:00 pm in the McCoy Funeral Home Chapel. He will be laid to rest at his homeplace where he grew up. Instead of flowers, the family is asking for donations to either Riner Rescue Squad, or the Christiansburg Fire Department.

“ There is no amount of words that will express just how much you meant to me. You was always there for me until the end. I will miss you deeply . We had so much more planned it seems so unreal to loose you at just 69 .My heart aches to know I can't pick up the phone and hear your voice.The time we had together was incredible from meeting on the school bus, to taking rides in your truck , sitting together on the porch and just sharing each others company.You will be forever in my heart. I love you my dear dear friend. You have your wings now but my heart was not ready to let you go. Until we meet again. *Bobbie Sue Hale*

Bill Hall, my uncle, would have never been able to farm the way he did without the amazing help of Dale!! Dale was more than a help-he was more of a great friend to my uncle -who did not have many people he could rely on! And after Bill's passing, Dale became a friend to me! I did not see him much as I live in Michigan, but he would call me and check in now and then ! He is a rare person as he was and still is the salt of the earth ! Plus-a great since of humor! I will sure miss his calls and updates of Blacksburg but he will always be remembered as a great farm fella! With much kindness and love!
