“ *To the family I leave with you all a lifetime of love and friendship. It's so hard. May God give you His grace, strength , and courage each day to remember Danny with the joy and memories of all the good times and to let go of his illness and the sad times. We loved Danny and love you all. You are in our heartfelt prayers. Rest in the peace of God's love and care. Always Bobby and Barbara.*

“ *Geneva I just saw this, oh how my heart hurts for you, after just losing Doug. Sometimes at night I go out and choose a star and name it Doug and have a long talk with him and ask him to watch over the family and me. It gives me a sense of calmness and peace. I wish I could put my arms around you and tell you I love you. Please let me know when you have the service I want to be there. Love you always Lois*
