“ So sorry for your loss of son, brother, husband and friend. The greatest comfort is knowing he accepted Jesus as his Savior and is with His Heavenly Father, home. We did not know this and our prayers are with each of you. We hurt for you but know God will give you strength. Please let us know if there is anything we can do to help you through this time.

“ My prayers are with the Linkous family. I have many wonderful memories of hunting & camping with Davey & Terry. At one time we were more like brothers than just related by marriage. We worked together, laughed & cried together. Davey was always kind to me & helped me out often with vehicles. I find great comfort in knowing that Davey accepted Jesus as his Lord and saviour and look forward to seeing him again. Mike Fithian

“ Davey was a one of a kind great guy. I don't ever remember him saying a negative thing about anyone. I will never forget the memories of riding in His dad's 57 convertible or the entire summer we spent putting together Davey's 68 Vette. I have only been able to get back home a few times recently but I always tried to track down Davey even if was only for 10 minutes. Just seeing him and laughing with him always made me feel like I was home. You will be missed but never forgotten. Rest In Peace my friend.

“ As young kids, I always remember being excited when we visited Dan & Carol and the family when they were in the Cleveland area. Davey and I would always have fun. A few years ago he reminded me of a time when we were shooting his BB gun and shot a bird. We both went up to it and started crying. He will be missed a great guy - God bless you Davey!
