“ *Arnedo and John, Our sincere and prayerful condolences. The memorial service for David was wonderful and a great tribute. I'm sure he would tell you so. Jason and Pastor Jamie could not have spoken better words. Truly encouraging and inspiring words. We did not know David, but from their words, I can certainly picture how he is livening up his new heavenly surroundings. We know God will soften the sting of death and is replacing it with a fresh hope and longing for our future home. Praying for your family. Jeff and Joan Farrenkopf*

“ *John Arnedo Jason, So sorry to be reading this sad news, I lost out on David after moving several years ago but have lots of fond memories of his younger years at Merrimac, David always seemed to like Gary and I, he liked me because I kept him in Certs in Church and Gary talked Big Trucks with him, in fact I think Gary learned a few things about Trucks from David. He was a kid that loved everybody, his family, God and his good friend Luke who you didn't have to be around David long before he would mention Luke and tell Gary about him and Luke was going to get a big Truck and drive across Country like Gary some day! Don't know if he ever got to drive a big Truck here or not but he sure drove a lot of them in his dreams and one thing for sure if there are Big Trucks in Heaven I know who is leading the Convoy. 10 4 Good Buddy, Over and Out.
