“ So many memories come to mind when I think of my dear work friend, AVA, as we knew her at work. I worked with her and for her for almost 40 years and that was not enough time. She gave me opportunities to grow in my job and stood beside me through my journey. She was more than a work friend, she taught me how to quilt, how to potty train my dog, and we did so many other things together over the years. I will miss you dear friend.
