“ Don was "one of a kind"....he will be missed by everyone that knew him. I am bowling today because of him! He and Georgia needed a bowling partner and she called me to come and bowl with them. I told her that I had never picked up a bowling ball and she said that I would have fun. Don gave me some pointers and I'm bowling today thanks to him and Georgia. I love and miss them today.

“ So sorry to lose my good friend Don. He was so good to me for the few years we had together; he will be missed. Always so kind, something nice to say or do for others. We enjoyed many good group trips, good meals together. My condolences to you his family; I will miss him terribly, as will all of you. You were blessed to have had him all these years.

“ Gary and I both worked with Don and Georgia at the plant...Georgia trained me to take her place in the Combined Shop....we both met our husbands while we worked in the Combine Shop. Don and Georgia both were such sweet people...always happy and with a smile on their faces....I miss seeing both of them. May they both rest in peace and I know they are happy to be together again.
