

## Donald "Don" Eugene Caldwell

June 11, 1964 - June 15, 2024

Donald "Don" Eugene Caldwell, age 60, of Pulaski, VA gained his wings on Saturday, June 15, 2024. Don was born in Radford, VA on June 11, 1964, to the late Paris Leonard and Doris Hinkley Caldwell. Don is survived by his daughter Cheyenne, sisters Lisa, Linda, and Barbara, along with numerous longtime friends. Cheyenne would like to recognize Tony Adkins for his authentic friendship and brotherhood to Don.

Don brought many jokes and laughter to those he met. He would dance his boots off and sing until the sun came up. Don was a fearless man, rode and broke horses like a true cowboy, knew no stranger, and had a generous heart. Don will be greatly missed; may he soar high above us and be remembered with every train or motorcycle noise you hear.

Cheyenne and family will be welcoming those who would like to say their final good-byes on Saturday, June 29, 2024, from 2-4 PM at McCoy Funeral Home in Blacksburg, VA. Please come with a memory or story to share on index cards provided.

In lieu of flowers, memorial contributions can be made to Cheyenne directly to assist in the offsetting of expenses.

“ Don was like a brother to me. Jim and I have known Don many years, he has help us tirelessly on the farm; helped me with my misbehaving horses along with many fun rides including the Caroll County Wagon train.

Don was a genuinely good person, caring and good hearted. Don always had a beautiful country boy smile on his face. He was fearless when it came to riding horses or motorcycles. Don will be missed and Heaven just gained a new angel.
