“ Joan and the entire Broyles family - please accept my heartfelt sympathy in the passing of Donald - son, brother, uncle, husband, father and grandfather. I am asking God to comfort each of you in this time of sorrow and in the days going forward. You can shed tears that he is gone, or you can smile because he lived; you can close your eyes and pray that he will come back, or you can open your eyes and see all that he has left; your heart can be empty because you cannot see him, or you can be full of the love that you shared; you can turn your back on tomorrow and live yesterday, or you can be happy for tomorrow because of yesterday; you can remember him and only that he is gone or you can cherish his memory and let it live on; you can cry and close your mind or you can do what he would want - to smile, open your eyes, love and go on. Prayers for each of you.
