“ *What a lovely and beautiful lady I remember from so many years ago--I might have even still been in high school, but we were both members of Huntington Court United Methodist Church in Roanoke. I was taking a business course in high school so I often did typing for my church as well as record keeping. This would have been back in the late 1950's or early 1960's and I remember Donna Ray was probably a superintendent of a Sunday School division and was she ever good. I think at that time they were living in the Williamson Road section of Roanoke and there were one or two times I remember going to her house to go over the records for her department. When they left Roanoke, they were certainly missed. When they returned to Roanoke I saw her one or two times at our Golden Colonels meetings and she was the same warm, lovely lady I remembered. Donna Ray certainly made a difference in this world and she will be forever remembered. Patty B. Good*

“ Donna was secretary to my dad for many years as well as a wonderful family friend. I grew up with the family and know what a loss her passing and your dad's passing is. I love you all and pray for peace for your families.
