“ So sorry to hear of Doug passing. Doug and I were class mates at BHS Class of 65. We were in Vocational Agriculture classes together. I always considered Doug a friend, even though we did not see each other that often. I know he will be missed by you Sally and your children.

“ To the Barnetts and Custers,

I'm so sorry to learn of Doug's passing. I knew him mainly from his work on my lawn tractors, which he always knew how to restore to excellent condition no matter how badly I abused them. But more importantly, he always treated me with great generosity and integrity, which are the ultimate measures of a man. I know he will be missed. My deepest sympathies are with you for your loss.

“ *Dearest Aunt Sally, Christy, Trish, Ginny and Sara - I am so sorry for your loss. I have many fond memories of visiting Blacksburg and Uncle Doug was always a joy. Ready to make you smile, to share a story, relate some wisdom or just "hug your neck". May you be filled with the peace that only comes from Jesus and surpasses all earthly understanding.*
