

Douglas Bland Hudgins

July 25, 2024

Douglas Bland Hudgins (1969 - 2024)

Douglas Bland Hudgins, 54, of Blacksburg, VA, died on July 25, 2024.

Doug was born in Richmond, VA in 1969 to H. Bland Hudgins and Gaylia Kline Hudgins and grew up in Mathews, VA with his older sister Vaniene. He played football and loved to sing in church. Doug attended Mathews High School before receiving a bachelor's and two master's degrees in engineering at Virginia Tech. After college, he stayed in Blacksburg and became a highly-respected and sought after environmental engineer. In 1995, he met his wife Cathy and became a devoted stepfather to his children Alli and John, and a loving father to his son Zachary in 1998.

One of his favorite days in the whole year was the opening of dove hunting season. But his greatest passion was fly fishing, which also endowed him with lifelong friendships, took him around the world in his quest for the greatest trout streams, and filled him with a profound sense of peace. He was a lifelong Hokie who loved to tailgate with friends and family.

Along with being a sporting man, Doug was a devout Christian and an active member and leader of the Blacksburg United Methodist Church. He was a beloved Sunday School teacher to kids of all ages – “Mr. Doug” made the best

chocolate chip muffins as a special treat for them. He also was a kind and compassionate mentor to children and families in the community.

Family and friends will remember Doug as a strong, reliable anchor with a wily, infectious sense of humor. He was genuinely interested in everyone he met. No matter what, he was there to offer a helping hand, strong shoulder, and kind word.

Doug was preceded in death by his father H. Bland Hudgins. He is survived by his wife Cathy Mills Hudgins, daughter Alli Dyer & her husband AJ Minette, son John Dyer & his husband David Williams, son Zachary Hudgins, mother Gaylia Kline Hudgins, sister Vaniene DeLucas & her husband Jim DeLucas, nephew Cole DeLucas & his wife Emily DeLucas, and niece Addisen DeLucas Good & her husband Jonny Good. He is also survived by his sweet dog, Artie.

The memorial will be on July 30, 2024 at 7 pm at the Edges campus of Blacksburg United Methodist Church, 706 Harding Avenue in Blacksburg, VA. The visitation will be from 2 -3 pm and funeral service from 3 - 4 pm on July 31, 2024 at McCoy Funeral Home, 150 Country Club Dr SW in Blacksburg, VA.

I don't remember when I first met Doug, but it was before 2007 as he was supposed to go on my first dep sea fishing trip in Hatteras and ended up not going. Doug was a colleague and a friend. This picture from 2008 might have been the last time I saw him in person. I would call and talk to him about projects and over the last several years I had been trying to catch up in person when he would come out to the Nebraska area to go hunting. Doug always was helpful, and I enjoyed talking to him. I will miss our conversations and the engineering world will miss his dedication to the profession. I never had the privilege to meet the Hudgins family, but I want you to know he was a great person, and I can't imagine your feelings of loss. I will keep all of you in my thoughts and prayers - God Bless.

“ As a sales engineer with a manufacturers rep company, I called on Doug for 27 years. He was always welcoming from his days at Draper Aden to CHA. I considered him a friend as well as a business associate and will be personally missed. He was very detailed in his engineering design and continued to assess and evaluate until the job was completed. The Virginia environmental engineering field lost a great one. I pray for his family and colleagues at CHA for strength, comfort and healing during this time of mourning.
