

Emerson "Emmy" Sigtryggsson

July 18, 2004 - September 8, 2024

Emerson "Emmy" Sigtryggsson of Stamford, CT and Blacksburg, VA passed away on September 8th at the age of 20, following a very brief battle with sarcoma. She was a loving sister, wonderful daughter and a loyal friend to all. Emmy was a devoted faith-filled Christian; strong in God's love, His strength, and His mercy which she freely shared with everyone, especially those in need. She made it her mission to let everyone know they mattered. She cherished teaching special needs children to be bold as well as spending time with elders. Emmy was at her best in a group, whether children or adults. She made sure everyone had fun, even if that meant taking a pie in the face. She was a blessing to all who knew her.

She was a junior at Hillsdale College studying Physics. She was a member of the Pi Beta Phi sorority and served as Youth Director at Jonesville First Presbyterian Church. She was the Stamford Varsity Swim Team Captain, on the High School Debate Team, Captain of the Mock Trial Team and in 2021 she was awarded CT's Best Attorney. In her spare time, Emmy coached swimming, synchronized swim, and was a lifeguard.

Emmy is survived by her parents, Krissie (Lindstrom) and Hal Sigtryggsson, her three sisters, Spencer, Peyton and Elliott and many aunts, uncles and cousins.

The family will receive friends during Visiting Hours from 5-7 pm Sunday evening September 22nd at the McCoy Funeral Home, 150 Country Club Dr. S.W., Blacksburg, VA 24060.

“ I had the pleasure of caring for Emerson briefly as a registered nurse. I hope you all see this message. I'm so very sorry for her passing. It was an honor and privilege to care for her and to pray with you all. You have stayed on my heart since the day I met you. I will continue to hold you in my prayers.

“ I coached Emmy from ages 12 to 17 at Stamford Yacht Club. She was absolutely exceptional. So enthusiastic, so smart, so thoughtful. At age 17 she won a league wide award easily, and I wanted to include the description here because it describes Emmy perfectly (except that she was also pretty fast!): "This award goes to an individual for outstanding dedication to their team and to the sport of swimming. Although they may not be the fastest swimmer, their team spirit, superior effort and work ethic, and always positive attitude have been an inspiration to their team members and coaches alike."

And she adored her sisters, and they adored her. I am heartbroken for her and for her family. Sending my love from Connecticut to Peyton, Elliott, Spencer, and the whole family.

I had the honor of being one of Emmy's swim coaches in Hlgh School. I will always remember her for her positive attitude and great leadership. She was ambitious and very caring. She always had a huge smile on her face that could light up anyone's day. My love goes out to her family and friends. Coach Beth

“ In my photography class, one of my challenges was to get the best photo I could in only 30 minutes. Portraiture is my strong suit, so I called my best girl friends on campus to see if they had any time between classes. It just so happened that all three of them were available and dressed in beautiful spring dresses and our sorority pins. I remember spending the rest of the day just glowing because my beautiful friends made time to come all the way across campus and help me with an assignment just because they wanted to. Emmy made the whole thing an adventure, as she always did. The photos reflect just how I saw her every single day, authentic, fun, and stunning. All my love to Emmy and her family.
