“ To Ton-Ton, Terry and all of Jays' friends and family. This is so sad to hear! we spent many days and nights playing softball, bowling, golfing and driving all over creation in that furniture truck when he worked for Warren Furniture. Rest assured that Jay was well loved and had tons of friends. I am really glad he was **SAVED** and saw **JESUS** in heaven and was able to be with loved ones that passed before him! Seeing **JESUS** is the ultimate goal. Miss you and R.I.P
my great friend! **SEE YOU IN HEAVEN.** Andy Eames

“ LaTawnya my deepest and sincere condolences go out to you and your family. Your dad was like a dad to me, I spent a lot of my school days at your house and he always treated me as his own always including me in all the family plans. He always made it fun. Especially our birthday, which we share. He always made us laugh. I remember him in the stands of our basketball games, He was our biggest fan. For all those good times which made wonderful memories he will always be forever in my heart. **ANNETTA SHERMAN**
