“ This is Alice honey. I know you can't hear me or see me but I found out just now that you had passed and I want you to know that I love you. I know that we lost touch there for a while, but I did get to talk to you the Christmas before but there's not a day goes by that I wasn't thinking about you. This is Easter Sunday 2026 and I'm just now finding this out. But you rest in peace honey. You deserve it. I love you. Alice
