“ *I grew up in an extended family, anchored by my grandparents and including my mother and her sister, my aunt Coleen (she never went by Fairy). Had a great childhood and was spoiled to death by all four of my family. I was very close to my aunt due to growing up around her and losing her hurts. She's my last, close family member and I'm going to miss her greatly.*

So sorry for the loss of Coleen I send my deepest condolences to the family I will always remember Jimmy and Coleen. My husband and I were motorcycle buddies with them and then became close friends. We play music together and they would sing which I enjoyed. They would come to see my boys Jimmy would take them fishing a lot. Coleen was a very sweet humble lady that loved the lord. I also will remember the last time I saw them it was a lot of hugging I felt a special Godly love that special day the last day I saw them . Threw the love of God I will see them again. I know you two are enjoying your new heavenly home!
