“ To the Price Family,
I am so sorry to learn of the passing of your father and mother. Your father and I served together first in Det 1 CO B/2-116 in Ricky Mount. He was the reason I stayed in the Guard - he was the ultimate professional and made my job easy as the Det Commander. We continued our service when he became the personnel officer for the a Brigade in Staunton. He helped so many people in his capacity there interacting with all the Brigade units. Lastly when he served as the Retirement Services Officer at State Headquarters he was the penultimate resource for all of us when we reached our retirement from the Virginia National Guard. He will be sorely missed. Always a professional and friend. RIP Mr. Price.

“ I've known Mr and Mrs Price as long as my brother Steven has been married to Sharon. They truly were two of the nicest people I've ever met. Always a smile, and a hug. I know there will be a huge void for all of the family, but I hope you find some peace and comfort in all of the people that love you guys and send their prayers your way.
I'm only a phone call away in you need anything.
