“ My lovely, amazing, beautiful, God fearing, great aunt, I loved every second I had of speaking with you. Your encouraging messages, your wise letters sent, I learned so much from you and about my family. I cherish every single message. I'm so glad we were able to build a strong relationship. I bet Mammy was smiling away. I love you both so, so very much. My heart aches so badly because I know I'll never have the feeling of waking up to a message from you. Give Mammy tons of hugs and kisses for me and keep her in line for me. I love you. Rest in Paradise angel 🙏
