“ *Freeda was my mom’s aunt. My mom and aunt were close in age with Freeda so they had a special bond. My mom is also currently suffering from dementia, so I know exactly what all of Frida’s loved ones went through. I know I’m late in seeing this, but my condolences to everyone.*

“ *Sending up prayers of comfort for Freeda's family . I worked with Freeda , Claudia, and Donna in the cashier office at Virginia tech Service for several years. She loved her family with all her heart.Freeda talked about her Nieces and loved them like daughter. She had a good sense of humor and her unique ways of doing things her way. Freeda was a hard worker working several jobs the bookstore and custom catering .She is gone on to her heavenly reward but she will never be forgotten by those who love and new her.*
