“Gairey, I will miss you immensely! I always cherished the animated waves you gave while I drove to work and you were collecting your paper in the morning! The dogs always loved to come and visit. You were so good to the big yellow cat who used to frequent your back porch. I could not have had a better neighbor! It gives me comfort that you are not in pain and with your beloved family and the Lord. God Bless You, your friend and neighbor, Ann Cronley

Gairey, You will be truly missed I will miss my big ole rat (that's what I always teased him about because under his chair was always a mess when I went to clean) I really enjoyed talking to you and getting to know you until we meet again your friend Angie

“Gairey you were a great friend and will be sorely missed. We've spent a great deal of time together over the past years and much of that was going to and from all the doctors and hospital's. But you always had a smile on your face and a joke to keep our spirit's up. You no longer have the pain and suffering and are back with your great parents and sister's, my days won't be the same without you. Rest in peace buddy.
